Carol,
You once said I was an impressionable person. I'm not sure that was good or bad. It's a shame we can't stay sophomores because of the fun we've had. You finally got what you wanted "David". This year's been great and I hope the jr. is better. Just think in 2 yrs we'll all be seniors. Have lots of fun til then, but don't behave.

Carol,
Well we succeeded in what we were after this year. It's been a great year & I'm kinda sorry to see it go. But that's the way it goes. Next year will be another year, but it will never be the same like it is now. In (2) two years will be graduating & we'll go separate ways & I hope to see you next year. Have the most time.
Good Luck,
Debbie

Carol,
This year has gone by so fast. We've had alot of fun + I'm sure we'll have more in the coming years. Stay sweet + nice. Alot of luck to you + David
Srs. '71 Rosalind Ogrodowicz

Judy Johnston, *Editor*

A busy classroom, a spirited football crowd, a noisy lunchroom, an active club meeting, and a shuffling hallway are significant happenings of our years in high school. Love, Lael '69

Carol Baby, girl ain't you a lucky girl and don't deserve a nut like Lael but you are all the best in the world. Be good & Be sweet.

I'll sign over here by Lael so's no body will notice. Until the next band trip, be careful! Then get caught.

In the meantime,

Dan

My Darling Carol,
May all your troubles be little ones, like 5 pounds 4 ounces or smaller. You're awfully good at kissy face, huggy body, and I don't think you need any lessons. yours till Niagara Falls,
David Gould

Carol,
Gee it's been fun this year. I hope your next two are even better. I know you'll be busy keeping David entertained this summer so be careful. Best wishes always and stay sweet. Gibbs tells me you're a good girl. Stay good always.

May '69

Carol,

I waited all year to see this and its finally here! There are so many kids at Waltrip, it will take 10 years to look through. (Hopefully in 10 years we'll be married). Our sophmore year has gone by so fast and we've had so much fun. But I really hate to see it go, I'm almost afraid to be a Junior. Lets hope all our school days and "years of living next to each" other memories last. I know we'll always understand each other and remain friends. Look toward the future ——— Look toward '71 !!

Love,
Teresa

P.S. I hope David didn't mind me sharing

Carol,
It's been a real great year and next yr. will be another great one too!
Good Luck.
